b) Automatic Check Deposit

All employees hired after the effective date of this agreement shall be paid by automatic check deposit. By June 30, 2008, all employees hired prior to the effective date of this agreement shall be paid by automatic check deposit unless the employee certifies in writing to the appointing authority that he or she does not have a bank account. If the County develops the ability to access the system from outside, than all employees represented by the DSA shall have the ability to remotely access their pay-stubs.

5.2 Step Increases

Except as otherwise herein provided, the basic pay plan shall prevail and shall consist of salary ranges and the assignment of classes to such ranges as provided in Appendix A. Each employee shall be paid within the range of his/her class according to the following provision, unless otherwise provided for in Appendix A.

a) Step One

The first step in each range is the minimum rate and shall normally be the hiring rate for the class. In cases where it is difficult to secure qualified personnel, or the Appointing Authority elects to hire personnel on the basis of a "lateral transfer", the Director of Personnel, with the approval of the County Executive, may approve appointment at the second or third step, and with the approval of the Board of Supervisors at the fourth or fifth step. If an employee is hired under the difficult-to-secure qualified personnel clause, the County will move those employees within the same class to the same salary step as that being received by the new employees. The Association will receive a monthly listing of positions by class and department which lists positions hired above the first salary step.

b) Step Two

The second step shall be paid after the accumulation of six (6) months of competent service at the first step.

c) Step Three

The third step shall be paid after the accumulation of twelve (12) months of competent service at the second step.

d) Step Four

The fourth step shall be paid after the accumulation of twelve (12) months of competent service at the third step.

e) Step Five

The fifth step shall be paid after the accumulation of twelve (12) months of competent service at the fourth step.

f) Time for Salary Adjustments

Salary adjustments shall be made on the first day of the pay period in which the required accumulation of months of competent service occurs.

5.3 Effect of Promotion, Demotion or Transfer on Salaries

a) Promotion

Upon promotion, an Employee's salary shall be adjusted as follows:

1. For a promotion of less than ten percent (10%), the salary shall be adjusted to the step in the new range which provides for a corresponding percentage increase salary.
2. For a promotion of ten percent (10%) or more, the salary shall be adjusted to the step in the new range which provides for ten percent (10%) increase in salary, or to the first step in the new range, whichever is greater.
3. The employee shall be given a notice from the department listing the date(s) on which each step increase is to occur.

b) Demotion

Notwithstanding the provision of Section 6, upon demotion of an employee with permanent status in his/her current class, his/her salary shall be adjusted to the highest step in the new class not exceeding the salary received in the former class.

c) Transfer

Upon transfer, the salary shall remain unchanged.

d) No Loss of Time-In-Step

No salary adjustment upon promotion, demotion, or transfer shall effect a loss of time acquired in the former salary step, and such time as was acquired in the former salary step shall be included in computing the accumulation of the required months of service of eligibility of the employee for further salary increases.

e) Voluntary Demotion

In the event of a voluntary demotion required by a work-connected illness or injury and a resulting disability, the salary of the employee shall be placed at the step in salary range which corresponds most closely to the salary received by the employee as of the time of injury. In the event that such voluntary demotion would result in a salary loss of more than ten percent (10%), the employee's new salary shall be set at the rate closest to, but not less than, ten percent (10%) below his/her salary as of the time of injury.

5.4 Work Out of Classification

Employees who are assigned by the Appointing Authority to perform the substantial range of the duties of a vacant higher position, and who have worked seven (7) calendar days or longer, shall receive work out of classification pay from the first day. Pay shall be consistent with promotional pay rules set forth in Section 5.3 (a). Work out of classification assignment may only be made to vacant positions or for a long term absence due to illness or disability. Assignments for work out of classification pay shall not be made during absence for normal vacation. Work out of classification to other than a vacant position or for long term absence or attendance at the FBI National Academy, may be made for a period not to exceed sixty (60) calendar days, with the written approval of the County Executive.

SECTION 6 - HOURS OF WORK, OVERTIME, PREMIUM PAY

6.1 Hours of Work

Forty (40) hours of work shall constitute a full week's work, unless otherwise provided by law, code, or this Agreement. The normal workday shall consist of a shift of either eight (8), ten (10), twelve (12) modified (as stated in Section 6.5), or twelve and one half (12.5) hours per workday, depending upon assignment and as set forth hereinafter.

The Appointing Authority reserves the right to convert assignments on the twelve modified plan to either a 5/8 or a 4/10 plan, upon the giving of forty-five (45) calendar days' advance notice of such change to the Association, which shall be afforded the opportunity to meet and confer on such a proposed change prior to its implementation.

Employees assigned to perform functions or duties arising out of any new assignment absorbed by the Sheriff's office either through contract or otherwise shall have their workday and work period established by the Sheriff after meet and confer.

The Department can, based on administrative needs, temporarily change a deputy's hours back to a 5/8 Plan for medical, administrative leave, training or temporary special assignments. The Department will give the deputy at least one week's notice when possible.

In the event that a deputy is scheduled for an extended court appearance (three (3) days or more in a work week) he or she will temporarily work a 5/8 Plan with a non-paid, duty-free one (1) hour meal period.

6.2 Patrol Divisions

- a) Both parties agree that either the 4/10 Plan (four ten-hour days per week) or the 3/12.5 plan (three twelve and one half (12.5) hour days with one additional 10 hour day every four weeks) will be continued in the Patrol Divisions during the term of the Memorandum.
- b) The Appointing Authority may, upon two weeks advance written notice to the affected employee(s), exclude the Division Commander, Assistant Division Commander, Administrative Sergeants and Lieutenants assigned to the Patrol Division from the 4/10 or 3/12.5 plans.

6.3 Civil/Warrants Division

Enforcement employees in the Civil Division shall work a 4/10 Plan (four ten-hour days per week) during the term of this Agreement, except that the Administrative Sergeant, Fugitive Officer and the Extradition Officer will work a 5/8 Plan with a one hour unpaid lunch each day.

6.4 Investigations Division

- a) Both parties agree that the 4/10 Plan (four ten-hour days per week) will be continued in the Investigations Division during the term of this Agreement. Assigned days off will be Saturday, Sunday and one additional day off per week, either Monday or Friday. The Department can, upon reasonable advanced notice, alter an employee's days-off to ensure daily minimum staffing levels are maintained throughout the work week. The ten-hour workday will include a paid, one half (1/2) hour meal period. All employees assigned to the Investigation Division shall log in and out through Kronos timekeeping system,

including for paid meal periods, when at an assignment work station that has Kronos capabilities.

- b) The above provisions do not apply to employees assigned as night detectives.
- c) If during the term of this Agreement, minimum daily staffing levels in the Investigations Division are deemed insufficient by the Department, the Department may rotate a minimum number of employees' days off to maintain minimum staffing. Advance notice of any change will be provided to the Association, which will be afforded the opportunity to meet and confer on such a proposed change prior to its implementation.

6.5 Custody Bureau

Effective February 2, 2015, Custody Bureau employees, excluding employees assigned to Transportation, will work a modified twelve plan schedule. The Schedule will consist of seven (7) workdays, of eighty (80) hours total, in a fourteen (14) day pay period. No shift shall be less than six (6) hours; no shift shall be more than twelve and a half (12.5) hours.

The Appointing Authority reserves the right to convert assignments on the twelve modified plan to either a 5/8 or a 4/10 plan, upon the giving of forty-five (45) calendar days' advance notice of such change to the Association, which shall be afforded the opportunity to meet and confer on such a proposed change prior to its implementation.

Effective the first pay period of this MOU, custody bureau employees will work a schedule consisting of six (6) twelve (12) hour shifts and a single, modified 8-hour shift. Briefing periods of ten (10), fifteen (15), or twenty (20) minutes may be added to the twelve (12) hour shifts. Time added to incorporate briefing periods will be taken from the modified shift.

Bidding for partial shifts will be conducted among personnel within each bargaining unit, by seniority.

Any time worked in excess of the pre-determined shift, or in excess of eighty (80) hours per pay period, will be paid at an overtime rate.

Unless addressed above, changes to days off and the start and the end times of shifts under this section will be subject to meet and confer prior to implementation.

6.6 All Other Divisions

Unless otherwise specified, all other employees shall work the normal workday consisting of a shift of eight (8) hours with an additional non-paid, duty-free one hour meal period, exclusive of overtime.

6.7 Meal Periods

Employees assigned to Investigations Divisions, Patrol East, Patrol West, Transit Patrol, Parks Patrol, Civil/Warrants (excluding the 5/8 employees listed in Section 6.3), and Perimeter Patrol will have a thirty (30) minute paid meal period during each shift worked. In case of an emergency, an employee may be called from his or her meal period to respond. All other employees will receive a non-paid, duty-free one (1) hour meal period. The employees who are required to be on duty in any correctional facility operated by the County during the serving of meals shall be entitled to that meal without charge.

6.8 Holiday Compensation

- a) If the holiday falls on the deputy's regularly scheduled day off, the deputy will receive eight (8) hours added to his or her vacation balance.
- b) If the holiday falls on the deputy's regular workday and he or she is required to work, the deputy will be compensated time and one-half for all hours worked in addition to straight time holiday pay in accordance with this Memorandum of Understanding.
- c) If the holiday falls on the deputy's regular workday and he or she does not work, the deputy shall be paid eight (8) hours of holiday pay in accordance with this Memorandum of Understanding, and have two (2) hours charged to STO or Leave Without Pay.

6.9 Assignment of Shifts and Days Off

The Appointing Authority will set up a standard shift and days off assignment policy within each division. Shift and days off assignment shall be determined, first, by persons being assigned to a shift and to days off based on the administrative needs of the department, so as to have a certain minimum number of experienced and/or qualified or skilled personnel on a shift. Once such department needs are met, shifts and days off may be determined based upon training and/or significant personal needs of an employee which reasonably require that the employee be assigned a particular shift or days off. Once such departmental and such personal needs are met, shifts and days off shall be determined by (1) time in rank, and (2) time in department. Under no circumstances shall place of residence of an employee be a determining factor in assigning shifts and days off.

This agreement shall not restrict the Appointing Authority from making periodic changes in shifts consistent with this agreement.

6.10 Notice of Divisional Change

- a) Both parties agree that no divisional change shall be scheduled without two weeks' notice, except in case of an emergency or when there is a waiver of time limits by the Association, as appropriate.
- b) Notwithstanding (a), supra, Appointing Authority may transfer employees in non-emergency situations with less than two (2) weeks' notice, provided that for each day of transfer without the required two (2) weeks' notice employees so transferred shall receive additional pay of five percent (5%) for each full shift worked without the required notice.

6.11 Exchange of Days Off

Personnel within a Department will be allowed to voluntarily exchange days off within a biweekly pay period provided the County does not incur any overtime or additional costs due to the voluntary exchanges. All such voluntary exchanges of days off must have prior administrative review and approval.

6.12 Overtime Work

- a) Overtime Defined - Employees Exempt from Fair Labor Standards Act
Overtime is defined as time worked beyond eighty (80) hours in any biweekly pay period or beyond eight (8), ten (10), six/twelve (6/12) modified or twelve and one half (12.5)

hours in any workday (depending upon the number of hours and the duty shift to which the employee is assigned).

For all employees, overtime is defined as time worked beyond eighty (80) hours in any biweekly pay period or beyond eight (8) hours, ten (10) hours, or a normal shift in any workday (depending upon the number of hours and the duty shift to which the employee is assigned). Time for which pay is received but not worked (such as vacation, sick leave, leave of absence with pay) shall be counted towards the base period.

In lieu of any contractual right to Government owned take-home vehicle, a Sheriff's Lieutenant is eligible for compensation at a rate of one-and-one half times their regular rate of pay for all work performed beyond his/her normal eight (8) or ten (10) hour per normal shift, provided that such additional work was with pre-approval by the administration. Overtime for Sheriff's Lieutenants will be administered using the existing policies and practices for the Sheriff's Deputies and Sergeants.

b) Overtime Defined - Employees Covered by the Fair Labor Standards Act

As allowed by the 7k exemption, the County has designated a fourteen day work period. Overtime is defined as time worked beyond eighty (80) hours in any fourteen consecutive day work period or beyond eight (8), ten (10), twelve and one quarter (12.25), or twelve and one half (12.5) hours in any workday (depending on the number of hours and the duty shift to which the employee is assigned). Time for which pay is received but not worked (such as vacation, sick leave, leave of absence with pay) shall be counted towards the base period.

c) Rate of Pay

When overtime work is assigned and performed, payment for such time worked shall be paid in cash at the rate of one and one-half (1 1/2) times the regular hourly rate of pay.

Employees may elect to receive equivalent compensatory time in lieu of cash.

d) Compensatory Time

1. Compensatory time earned shall be banked subject to a cap of 80 hours.
2. Non-exempt employees (Sheriff's Deputies, Sheriff's Sergeants and any non-exempt Sheriff's Lieutenants) shall use accrued compensatory time within 12 months of the date the overtime was worked or it shall be cashed out.
3. Exempt Sheriff's Lieutenants shall use accrued compensatory time within 12 months of the date the overtime was worked or it is forfeited. Such employees must be afforded a reasonable opportunity to use the compensatory time, if requested, before forfeiture.

- e) If the Fair Labor Standards Act is determined by the U.S. Supreme Court or Legislation to not apply to State and local government, 6.12 (b) will be deleted and 6.12 (a) shall apply to all classifications.

6.13 Rest Periods

All employees shall be granted, and may take, a rest period of fifteen (15) minutes during each one-half of their shift, and rest periods shall be considered as time worked for pay purposes. A rest period not taken does not entitle the employee to leave work at an earlier time.

6.14 Night Shift Differential

"Night Shift" means an assigned normal schedule of work hours of which not less than one-half (1/2) the total number of hours, plus one (1) hour, are worked after 5:00 p.m. and before 8:00 a.m. If overtime is worked prior to 5:00 p.m. or after 8:00 a.m., the payment for overtime does not include the night shift differential. Premium pay for night shift shall be paid as follows:

- a) Effective February 2, 2015, night shift differential shall be paid at three dollars and fifty cents (\$3.50) per hour for all such qualifying hours worked irrespective of classification, pay level, overtime status, holiday work or other wage variations. Effective September 12, 2016, night shift differential shall be paid at four dollars (\$4.00) per hour for all such qualifying hours worked irrespective of classification, pay level, overtime status, holiday work or other wage variations.

The night shift premium shall not be allowed in computing payments at the time of termination.

6.15 Call-Back Pay

- a) Employees may be ordered back to work during non-work hours. Under situations where the employee is ordered ("called back") to work the employee shall receive a minimum of three (3) hours pay for each call-back at the overtime rate. This section does not apply to those employees who voluntarily accept to work available overtime.
- b) If an employee is called back on a day the employee was not scheduled for duty or if an employee is called back for a department-wide emergency, declared by the Appointing Authority, the employee shall receive additional pay from the time the call-back is made up to a maximum of one (1) hour.
- c) If an employee is called back from scheduled vacation, he/she will receive overtime pay rather than vacation credit. Such pay will be entered into the payroll following the employee's return to work from vacation.

6.16 On Call Status

Requests shall be in writing and contain the following information: Name, rank, County employee identification number, number of hours to be cashed out, verification that requirements for cash out are met and a statement that all information is provided under penalty of perjury. STO cash out will be suspended for Fiscal Year 2013.

- f) Effective December 10, 2012, all employees shall be credited with 32 additional hours of STO to be added to their supplemental STO bank. This is a one-time credit in lieu of the holidays not recognized in Fiscal Year 2013.

12.2 Time for Vacation

a) Sheriff's Department

Effective February 2, 2015, annual vacation sign-ups shall be conducted by the Department in the month of December. Upon initial sign-up, employees in order of seniority may split their vacation sign-ups into two (2) blocks or segments, provided that each segment or block shall not be less than one (1) week. Employees shall only be allowed to sign up for vacation time which is projected to be available at the time the vacation will be taken.

Once initial sign-ups have been completed, the vacation calendar shall be posted and employees in order of seniority may request remaining vacant slots and break their blocks or segments into increments of no less than one (1) week. All initial and secondary sign-ups shall be completed by January 1st. All vacation time signed up for during this annual process shall be taken, and in weekly blocks of continuous time unless prior approval from the Division Commander is obtained. To obtain approval for any such change, the employee must demonstrate hardship to the employee or the employee's immediate family.

Employees may during the year rearrange their vacation schedule to available vacant slots (caused by transfer, promotion, etc.) provided that they do so in one (1) week increments, and that said rearrangement does not adversely affect staffing/workload balances. Approval of vacation request, after December, shall not necessarily be based on seniority and shall be granted at the discretion of the Division/Section Commander.

A deputy who is promoted, transferred, or reassigned, shall not lose his/her vacation sign-up preference because of said promotion, transfer, or reassignment. Sheriff's Sergeants and Sheriff's Lieutenants shall not lose vacation sign-up preference because of promotion, transfer or reassignment except in case of conflict, which shall be resolved by meeting with the affected employee, the designated Bureau Commander, the Division Commander and an Association representative.

An employee who is expecting to receive the maximum vacation STO accrual during the upcoming annual vacation period is required to sign-up for vacation during the annual vacation sign-up period and schedule time off prior to the time in which he/she will maximize their vacation accrual. It is the employee's responsibility to notify management of the situation prior to receiving the asterisk (*) on his/her paycheck stub. If, despite efforts in vacation sign-ups, an employee still encounters an asterisk on his/her paycheck stub in STO vacation accruals, the employee shall request and management shall arrange time off in one-week blocks sufficient to eliminate the reoccurrence of an asterisk during the same calendar year. Management will decide which day(s) the employee can take off. In cases of emergencies or disasters, the leave request can be denied and/or revoked. An additional accrual may be approved by the County Executive.

Vacation Preference for Patrol Divisions Operating with 12-plan Schedules: Vacation preference for Deputies and Sheriffs' Sergeants within a team/shift shall be based on (1) rank, (2) time-in-rank, and (3) time in the Department. Vacation preference for Sheriffs' Lieutenants shall be based on (1) rank, (2) time-in-rank, and (3) time in Department.

Each employee shall be entitled to an annual sick leave bank accrual. Sick leave is accrued on an hourly basis and computed at the rate of sixty-four (64) hours per year and may be accrued without limitation. Absences due to verified personal illness or bereavement beyond the amount equal to one (1) full shift shall be charged to the Sick Leave Bank (limited to two days for bereavement). Such sick leave bank usage must be approved by management.

Notwithstanding the above, an employee who experiences a continuation of a verified personal illness or that of a member of the immediate family within 14 calendar days of her/his original return to work, may charge the renewed absence directly to accumulated sick leave balance

Exceptions may be granted for absences due to life threatening illness ongoing treatment beyond four incidents of absence in a calendar year upon review and approval of an executive manager.

c) Family Care Usage

An employee will be entitled to use one half (1/2) of his/her annual accrued leave in order that he/she may care for a sick or injured member of his/her immediate family requiring his/her care, or in order that he/she may obtain medical consultation to preserve his/her health. "Immediate family" shall mean the mother, father, grandmother, grandfather of the employee or of the spouse of the employee or the same-sex domestic partner of the employee, son, son-in-law, daughter, daughter-in-law, brother or sister of the employee or any person living in the immediate household of the employee.

"Immediate family" shall mean the mother, father, grandmother, grandfather, son or daughter of the employee or of the spouse of the employee and the spouse, son-in-law, daughter-in-law, brother or sister of the employee or any person living in the immediate household of the employee. Should an investigation result in a determination that dismissal is not warranted, the right to sick leave payoff shall be restored.

The above payoff schedule applies to all retirements, including employer and/or employee initiated disability retirements. Employees may not use their sick leave balance to extend the effective date of disability retirement.

h) Reinstatement Pay Back

Leaves beyond one (1) year may be granted due to unusual or special circumstances. The following are approved reasons for such leave:

1. Illness beyond that covered by sick leave.

As an express term and condition of employment, all personnel covered by this Agreement shall on their own time comply with State mandated firearm training/certification requirements. Although all efforts will be made to ensure that employees assigned to the Sheriff's Department complete this training on-duty, failure of the County to schedule the training during on-duty hours or to pay for this training does not otherwise relieve Sheriff's Office employees of their responsibility to ensure they comply with State standards and Sheriff's Office policy. Failure to comply shall be grounds for discipline in accordance with Sheriff's Department's disciplinary procedures.

If under the Fair Labor Standards Act it is determined that the above training cannot be completed on the employee's own time, then no CIP credit shall be given and he/she shall be compensated for his/her time.

Maximum CIP credit for range qualification time shall not exceed eight (8) hours per year.

These new requirements will be effective for the CIP enrollment period (May 1, 2000 to June 1, 2000) for CIP fiscal year 2001.

All employees shall be current on their CPR and First Aid training by June 30, 2013. Effective July 1, 2013, the County shall provide for CPR and First Aid training.

SECTION 19 - TUITION REIMBURSEMENT

a) Fund
The County shall maintain an educational leave and tuition reimbursement program for the term of this Agreement. The total monies in this program will be administered at the County level. The fund will consist of twenty-five thousand dollars (\$25,000) in each year of the MOU. Any unexpended funds between September 10, 2007 and September 7, 2008, and between September 8, 2008 and September 6, 2009, shall be rolled over to the next contract year. Effective December 10, 2012, all tuition reimbursement shall be suspended through June 23, 2013. Tuition reimbursement shall be reinstated June 24, 2013. Any unexpended funds leftover in FY13 or FY14 shall be rolled over to supplement the following year's funds.

b) Eligibility
Employees are eligible to participate in the program provided:

1. The employee is not receiving reimbursement from any other government agency or private source. (This applies to reimbursement only.)
2. The training undertaken is related to the employee's occupational area or has demonstrated value to the County.
3. The application was filed with the appointing authority or his/her designee prior to the commencement of the course. Applications requiring time off must be filed with the appointing authority at least ten (10) days prior to the commencement of the course.

2. The County alleges disapproval is necessary because any of the provisions above have not been met.

d) Reimbursement

Effective February 2, 2015, total reimbursement for each employee participating in the program will not exceed twelve hundred dollars (\$1,200.00) each contract year during the term of this agreement. Mileage and subsistence will not be authorized unless the training is required of the employee. Within the above limit, employees shall receive full immediate reimbursement for tuition and other required costs (including textbooks) upon presentation of a receipt showing such payment has been made.

e) Deduction Authorization

The employee shall sign a note which states that, upon receipt of reimbursement, he/she authorizes:

1. Deduction from his/her wages in the event he/she does not receive a passing grade of C or better,
2. Deduction of fifty percent (50%) of the amount of reimbursement if he/she leaves County employment within one (1) year after satisfactory completion of the course.
3. Deduction of the full amount of reimbursement if he/she leaves County employment before completion of the course.

SECTION 20 - ISSUANCE OF GENERAL ORDERS

All employees shall have access to a copy of General Orders or Regulations applicable to their assigned Division in an electronic format. Hard copies will be distributed to the appropriate Division and will remain Sheriff's Office property.

SECTION 21 - LAYOFF

a) Seniority Defined

For the purposes of this section, "seniority" shall be defined as days of paid, accrued service in a coded position, within rank (Deputy Sheriff I (U62) and Deputy Sheriff shall be considered one rank), including all paid leaves of absence (e.g., STO, sick leave, 4850 leave, etc.) and including unpaid military and veterans leave and unpaid temporary disability leave upon expiration of 4850 time, and also including, family leave taken pursuant to Section 13.3 and taken after September 20, 1999, but excluding all other unpaid leave of absence without pay.

b) Order of Layoff

For Sergeants and Lieutenants, those employees on a probationary seniority list shall be laid off prior to employees on the permanent seniority list for that classification.

The seniority lists of those employees classified as Deputy Sheriffs and Deputy Sheriff I's (DSI's) will be combined for the purpose of layoffs. Layoffs will be determined by time in rank with the least senior Deputy Sheriff or Deputy Sheriff I being laid off first.

If two (2) or more employees on a seniority list have identical seniority within rank, any tie shall be broken by resort to the following processes, in declining order, should ties continue to exist:

1. Seniority within rank;
2. Seniority in the next lowest rank, if there exists such a lower rank (e.g., Lieutenants seniority for Captains, Sergeants for Lieutenants, etc.);
3. Departmental seniority (sworn Sheriff's service only);
4. County Seniority;
5. Chance.

c) Notice of Layoff

Employees subject to layoff shall be given at least twenty (20) working days' written notice prior to the effective date of layoff. "Working days" as used in this section means Monday through Friday excluding holidays.

d) Reassignment in Lieu of Layoff

The employee shall have the right to be returned to any lower classification represented by the Association in which permanent status had previously been held. If there are no vacancies in the next lower classification the layoff procedure shall apply. Except, that regular Deputy Sheriffs who are laid off, with no options in the next lower classification, may accept any vacant Correctional Officer position, or Deputy Sheriff I position, and a refusal will result in removal of the deputy's name from the layoff re-employment list.

The employee who is reduced in rank shall be allowed to count all time spent in a higher rank plus all time previously spent in the lower rank to determine his/her place on the list for the lower rank.

e) Rights to Other Positions

After the reduction in rank listed in (d) any employee who is yet to be laid-off shall be allowed to claim a vacancy in the County in any lower classification in which he/she had permanent status. If no vacancy occurs he/she may be returned to that next lower classification and the layoff procedure for that organization shall apply.

f) Inplacement

In the event that an employee is not reassigned in lieu of layoff as in Section 21 (d) or (e), the employee shall be laid off or may be offered placement in another County position. If an employee elects not to exercise the option in Section 21 (f), the employee may be deemed to have been offered and declined such work.

If an employee has been issued a layoff notice pursuant to Section 21 (c) and has no reassignment in lieu of layoff rights pursuant to Section 21 (d) and (e), then that employee shall be considered for inplacement.

Inplacement is an offer of transfer (within specific wage bands) or demotion to an employee with a layoff notice into a vacant position which the County intends to fill during the layoff notice period.

The following conditions apply to the inplacement process:

1. An employee must be qualified to transfer or demote.
The Personnel Director shall determine qualifications.
 - a. Testing requirements would be the same as if the employee had been reclassified.
 - b. In determining qualifications and possible positions, transfers and demotions to both related and non-related classes may be considered.
2. Transfer will be deemed a "lateral transfer" if movement from one class to another does not exceed an upward salary change of 5% (five percent).
3. Normal transfer (ordinance code) rules apply i.e.: the employee can be taken on a permanent or probationary basis at the discretion of the appointing authority. If an employee has underlying permanent status, the probationary period following the transfer shall be considered a subsequent probation. Consistent with this status, the employee on a subsequent probation with underlying permanent status, has Personnel Board appeal rights.
4. The employee may express a preference for certain occupational fields, assignments or departments. However, the employee has no right to claim any position nor is the County required to offer placement.
5. A position shall not be considered "vacant" for inplacement purposes if the position has been identified as claimable under Section 21 (d) or (e) by another employee who has been issued a layoff notice under Section 21 (c) or by an employee on a re-employment list established pursuant to Section 21 (g).
6. An employee who is placed under Section 21 (f) shall have his/her name placed on all re-employment lists pursuant to Section 21 (g) for the appropriate classification.
7. In determining placement offers, the Association and the County, on a case by case basis may, by mutual agreement include as part of the placement offer:
 - a. basic skill competency training and/or;

- b. other methods (other transfer or demotion) of filling vacant positions that do not violate merit system principals or County Ordinance code provisions.
- 8. All inplacement offers must be made and accepted or rejected prior to the effective date of the layoff notice. Time permitting, the Personnel Department may assist employees on the re-employment list in addition to those employees with layoff notices. Such employees shall be entitled to all provisions of this agreement.
- 9. If an employee is not placed by the effective date of the layoff notice, he/she shall be laid off under the provisions of the layoff notice.

g) Re-employment List

The names of such probationary and permanent employees reassigned or laid-off in accordance with this section shall be entered upon a re-employment list in inverse order of seniority. Names of reassigned or laid-off persons shall remain on the re-employment list for a period of three (3) years. Upon certification of the re-employment list the person standing highest on the list shall be offered the position. Regular Deputy Sheriffs recalled from the re-employment list must accept any vacant (New) Deputy Sheriff I position or regular Deputy Sheriff position. Failure to accept such offer of employment shall cause the person's name to be removed from such list.

The re-employment list shall have priority over all other methods of filling a vacant position.

Any employee who voluntarily leaves County service or who is terminated for cause (and whose termination is sustained after appeals) shall irrevocably be removed from all re-employment lists.

- h) Involuntary breaks in service of employees due to layoff of a duration of less than thirty-six (36) months shall not be considered a break in service for the purpose of determining "competent service" for the purpose of step increases under Section 5.2 of this Agreement, nor of service in a probationary position under Section 22.2 of this Agreement. Any employee so situated shall be entitled to credit for all time previously served within classification for step increases and for service towards completion of the probationary period.

SECTION 22 - PERSONNEL ACTIONS

22.1 Personnel Files

The County shall maintain a personnel file for each employee. Departments may also maintain a personnel file for each employee. Employees shall have the right to review their personnel file or authorize review by their representative. No non-routine material will be inserted into the employee's personnel file without concurrent notice to the employee. Employees may cause to be placed in their personnel files responses to adverse material inserted therein within thirty days and a reasonable amount of correspondence originating from other sources directly related to their job performance. Upon written request of the employee, all materials relating to disciplinary actions recommended and taken shall be removed from the Personnel and Training file three (3) years after any disciplinary action has been imposed, provided no additional action has been taken during the intervening period, except disciplinary actions involving unnecessary

or excessive use of force, fraternizing with inmates, use of drugs or narcotics, acceptance of gifts in exchange for favors or "influence", immoral conduct, criminal act/behavior, harassment and/or discrimination, or conviction of a misdemeanor or felony.

22.2 Probation

- a) Each newly-hired employee covered by this Agreement shall serve a probationary period of eighteen (18) months. Upon successful completion of such probationary period, the employee shall be deemed a permanent employee. Employees holding a position in the competitive service who are promoted to another position in the competitive service shall serve a promotional probationary period of six (6) months. Upon successful completion of such promotional probationary period, the employee shall be deemed a permanent employee in such classification. Leaves of absence without pay shall not be credited towards completion of any probationary period. The parties agree that probationary employees at all ranks who begin a paid or unpaid leave of absence (excluding vacation) will have their probationary period extended by the period(s) of leave while on probation.

All probationary employees shall have all rights set forth in this Agreement, unless otherwise specified, including full and complete access to the grievance procedure, provided only that, consistent with County Charter Section 704(e), probationary employees may not grieve suspensions, demotions or dismissals.

- b) Probationary employees shall have the right to request and receive Department/Agency administrative review of disciplinary action taken during probation. Such review must be requested in writing within ten (10) working days of the disciplinary action or it is waived. The review process shall proceed promptly after a request is received. The Department/Agency head, or his/her designated representative, shall hear and make a decision in writing, within ten (10) days after the review is complete.

22.3 Evaluation

The County shall establish and maintain a plan for evaluating the performance of employees in the classified service.

Evaluations shall be considered in approving transfers, promotions, salary increases, demotions, discharges, reinstatements, re-employment and other personnel actions.

Evaluations shall be made periodically by the employee's immediate supervisor on approved forms and approved by the appointing authority. One copy of each report shall be maintained in the departmental personnel file as a permanent record.

If evaluation shows an employee's work to be "Below Standard", the supervisor shall take appropriate steps to assist the employee in improving. Failure by the employee to show satisfactory improvement may be deemed just cause for discharge.

Evaluation of employees (except those serving their probation period as a Deputy Sheriff) may be appealed in accordance with the following procedures:

- a) If an employee is not satisfied with any aspect of an evaluation, he/she may within ten (10) working days of being served with the evaluation appeal the evaluation or any portion

thereof to the employee's Division Captain, provided that the appeal is based on an aspect(s) of the evaluation which the Division Captain is empowered to change.

- b) If after meeting with the Division Captain, or if the appeal related to an issue the Captain was not empowered to change, an employee is not satisfied with any aspect of an evaluation, he/she shall have a right to a hearing before his/her appointing authority, or their designee, either an Assistant Sheriff or Undersheriff. Any employee requesting such a hearing must request a hearing within ten (10) working days of being notified of the outcome of the appeal to the Division Captain.
- c) In the event the employee remains unsatisfied after a hearing before the appointing authority, he/she may within ten (10) days after the decision of the appointing authority request in writing to the Director of Personnel that the evaluation appeal be heard by a review board provided that the appeal is based on an aspect(s) of the evaluation which the review board is empowered to change.
- d) The review board shall be convened by the Director of Personnel and shall consist of the Director of Personnel or her/his designee in the Personnel Department, the appointing authority or his/her designee, who shall not be the rater, and a third member appointed by the employee.
- e) The review board shall conduct an informal hearing and shall decide all questions by a majority vote. The review board shall have the power to raise rating factors and/or overall evaluation ratings from "Unsatisfactory" to "Below Standards", to "Meets Standards", or "Unsatisfactory" to "Meets Standards", and to strike narrative portions of the evaluation. The review board shall not have the power to otherwise alter the evaluation.
- f) In a hearing before either the appointing authority or the review board, the employee shall have the right to attend on release time, call witnesses on release time, and have the rater present.

22.4 Disciplinary Action - Permanent Classified Employees

The County may take disciplinary action for cause against any permanent classified employee by suspension, demotion or discharge by notifying the employee in writing. Notice of disciplinary action must be served on the employee in person or by registered mail prior to the disciplinary action becoming effective. The notice shall be included in the employee's personnel file and shall include:

- a) Statement of the nature of the disciplinary action.
- b) Effective date of the action.
- c) Statement of the cause thereof.
- d) Statement in ordinary and concise language of the act or omissions upon which the causes are based.

- e) Statement advising the employee of his/her right to appeal to the Personnel Board from such action, and their right to Association representation.

Such employee shall be given either ten (10) days' notice of discharge, or demotion, or five (5) days' pay, except where circumstances require immediate action.

SECTION 23 - GRIEVANCE PROCEDURE

The County and the Association recognize early settlement of grievances is essential to sound employee-employer relations. The parties seek to establish a mutually satisfactory method for the settlement of employee grievances or organizational grievances. In presenting a grievance, the aggrieved and/or his/her representative is assured freedom from restraint, interference, coercion, discrimination or reprisal. Release time for investigating and processing a grievance is designated in the Memorandum of Agreement regarding Representatives between the County and the Association.

a) Grievance Defined

1. Definition

A grievance is defined as an alleged violation, misinterpretation or misapplication of the provisions of this Memorandum of Agreement, Merit System Rules, or other County ordinances, except as excluded under 2. below. Disciplinary actions may be appealed through this grievance procedure except as provided in Section 2(h) below.

2. Matters Excluded From Consideration Under the Grievance Procedure

- a. Performance Evaluations.
- b. Probationary release of employees.
- c. Position classification.
- d. Workload/Caseload.
- e. Merit System Examinations.
- f. Items requiring capital expenditure.
- g. Items within the scope of representation and subject to the meet and confer process.
- h. Disciplinary Actions taken under Section 708 of the Charter except where the employee voluntarily waives his right to appeal disciplinary actions to the Personnel Board.

For purposes of this procedure "employee" is defined as any County employee in the classified service, regardless of status. Employees shall have the right to present their own grievance or do so through a representative of their own choice.

Grievances may also be presented by a group of employees or the Association. No grievance settlement may be made in violation of an existing rule, Memorandum of Agreement or Memorandum of Understanding nor shall any settlement be made which effects the rights or conditions of other employees represented by the Association without notification to and consultation with the Association.

Association grievances shall comply with all foregoing provisions and procedures. The County shall not be required to reconsider a grievance previously settled with a worker if renewed by the Association unless it is alleged that such grievance settlement is in violation of an existing rule, ordinance, Memorandum of Agreement or Memorandum of Understanding.

b) Informal Grievance

It is agreed employees will be encouraged to act promptly through informal discussion with immediate superior on any act, condition or circumstance which is causing employee dissatisfaction and to seek action to remove the cause of dissatisfaction before it serves as the basis for a formal grievance. Time limits may be extended or waived only by written agreement of the parties.

c) Formal Grievance

Step One

Within fifteen (15) working days of the occurrence or discovery of an alleged grievance, the grievance shall be presented in writing directly to the Appointing Authority. A copy of the grievance shall be sent to the Office of Labor Relations and this copy shall dictate time limits. The grievance form shall contain information which identifies:

1. The aggrieved;
2. The specific nature of the grievance;
3. The time or place of its occurrence;
4. The section of the rule, law, regulation, or policy alleged to have been violated, improperly interpreted, applied or misapplied;
5. The consideration given or steps taken to secure informal resolution;
6. The corrective action desired; and
7. The name of any person or representative chosen by the worker to enter the grievance.

A decision shall be rendered, in writing, to both the aggrieved and the Association within fifteen (15) working days of the receipt of the grievance. Failure to render a decision within the prescribed time shall permit the grievant or the Association to submit the grievance to Step Two.

Step Two

If the Association is dissatisfied with the step one decision, the grievance, may within ten (10) working days of receipt of the step one decision be submitted by the Association to arbitration by informing the County Executive or designated representative in writing.

An arbitrator for an arbitration hearing will be selected within sixty (60) days from the date the County Executive or designated representative receives the written notice. Every effort will be made by the parties to schedule the hearing date within ninety (90) days of the selection of the arbitrator. Where this is not practical, the hearing date will be scheduled on a date all parties are available. The grievance shall be heard by an arbitrator selected by alternative strike out method from a panel of eleven (11) arbitrators, established by the County and the Association. For the term of this Agreement, the panel shall consist of:

Franklin Silver	Christopher Burdick	John Kagel
Carrol Vendrillo	Alexander Cohn	Barry Winograd
Norman Brand	Morris Davis	Luella Nelson
Ronald Hoh	Kathleen Thomson	

The arbitrator shall render a written decision and opinion within thirty (30) calendar days of the completion of the arbitration hearing.

The decision of the arbitrator shall be final and binding on the parties. The cost of arbitration shall be borne equally by the County and the Association. The parties agree that a grievance may be arbitrated on an expedited basis with mutual agreement.

Normally, grievances shall be scheduled in the order in which they are received. All grievances must comply with the timelines in subsection 23 (c), Formal Grievance, with the following exception: a grievance filed at Step One, the remedy for which will become moot by following strictly all the time provisions of the grievance procedure, may follow instead this exceptional procedure:

1. Step One must be filed under the normal procedural fifteen (15) working day requirement.
2. Pending any resolution by the County at Step One, the parties agree immediately to move towards the scheduling of an arbitrator.
3. The parties will jointly select an arbitrator upon request from the Association by the fourth working day after the filing of such exceptional grievance.
4. An arbitrator will convene the proceeding no earlier than thirty (30) working days of his/her selection.
5. Within the first ten (10) working days of the filing of the exceptional grievance, the parties will meet to attempt to resolve the matter.

6. The parties shall use best efforts to have an arbitration held and a decision rendered prior to the occurrence of the event that gave rise to the grievance.

The parties agree that disciplinary matters are not subject to this provision.

In the event that a grievance is heard under the provision above (i.e., the grievance would be rendered ineffectual without immediate relief), the parties agree to oral arguments (no post-hearing written briefs). The parties shall request an expedited transcript in order to allow the arbitrator to make a prompt decision.

- d) During the term of this Agreement, the Association agrees that all grievances shall be pursued through the grievance procedure and that neither the Association nor represented employees shall engage in any strike. The County shall not lock out any employees.

SECTION 24 - JOINT LABOR MANAGEMENT COMMITTEE

The parties agree to establish a Joint Labor-Management Committee, with equal participation by the DSA, Sheriff's Office and Employee Services Agency, for the purpose of reviewing and recommending for implementation, plans for: improving attendance, reducing on-the-job injuries, increasing availability of workforce to improve staff availability for all Sheriff Office assignments, containing costs and reducing reliance on the need for disability retirements, and reducing or containing costs for health and welfare benefits and reducing the need for the use of extra help deputies.

SECTION 25 - CONTRACT LAW ENFORCEMENT SERVICES

DSA shall be offered the opportunity to meet and confer over changes in working conditions resulting from implementing any contract between the Sheriff, County and external agencies. The meet and confer on the impact to the employees is to occur prior to implementation of changes within the scope of the Meyers-Milias-Brown Act.

SECTION 26 - COMPLETION DATES

Dates for completion agreed to herein are binding upon both parties unless otherwise extended in writing. Failure to meet agreed completion dates may be grieved by either party with the remedy being subject to the arbitrator's decision, unless the parties otherwise agree upon a remedy.

SECTION 27 - SEPARABILITY OF PROVISIONS

In the event that any provision of the Memorandum is declared by a court of competent jurisdiction to be illegal or unenforceable, that provision in this Memorandum shall be null and void, but such nullification shall not affect any other provisions in this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

If the State of California notifies the County of Santa Clara that legislation has been implemented which assesses monetary penalties to local governments which settle wages and/or benefits with increases in excess of certain limits (an example of such legislation is AB 1040, introduced in spring 1991), those benefits and/or wages shall not be implemented or continue to be paid. The parties shall immediately enter into negotiations for the sole purpose of arriving at a mutually agreed alternative.

The County reserves the right to cease payment or seek repayment of wages and/or benefits upon which the State of California is basing the monetary penalty. The Association reserves the right to contest the legality of the payment cessation or repayment.

It is understood that the purpose of this Section is to ensure that the County does not incur any liability or penalties on either the original agreement provisions, or the negotiated alternate provisions.

SECTION 28- FULL AGREEMENT

It is understood this Agreement represents a complete and final understanding on all negotiable issues between the County and Deputy Sheriffs' Association. This Agreement supersedes all previous Memoranda of Understanding or Memoranda of Agreement between the County and Deputy Sheriff's Association, Inc. except as specifically referred to in this Agreement. All ordinances or rules covering any practice, subject or matter not specifically referred to in this Agreement shall not be superseded, modified or repealed by implication or otherwise by the provisions hereof. The parties, for the term of this Agreement, voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any practice, subject or matter not specifically referred to or covered in this Agreement even though such practice, subject or matter may not have been within the knowledge of the parties at the time this Agreement was negotiated and signed.

If during the term of this Agreement, a matter, subject, or practice arises which is not referred to in this Agreement and the County desires to take action to deal with such matter, subject, or practice, the Association shall be given prior, written notice of the proposed County action and shall have the right to meet and confer on the subject. The association waives its right to utilize impasse procedures pursuant to the Employee-Management Relations Ordinance. In the absence of agreement on such proposed action, the County reserves the right to take necessary action by management direction.

SECTION 29- TERM OF AGREEMENT

This Agreement is operative for the period December 10, 2012, up to and including September 13, 2015, and is modified herein and is extended to September 6, 2020 and shall become effective immediately upon approval by the Board of Supervisors and ratification by the Association. This Agreement shall remain in full force and effect up to and including September 6, 2020; and from day to day thereafter, until replaced by a mutually agreed upon successor agreement. Either party wishing to terminate this Agreement or amend any provision thereof shall serve written notice on the other at least sixty (60) days prior to, September 6, 2020 or any subsequent September 6th.
